To: GACC Directors

I apologize for missing our meeting this evening. I just got home from an unanticipated meeting that ran into early evening. Steve had informed me we had no land use petitions tonight. I understand from Joe G that it was chaos at Eastwood.

Joe--do you have a digital copy of last year's President's letter? Daland could not find his copy, and I could use it as a model. Let me know.

We also need to get copies of the minutes & treasurer's reports completed for year's end. Who has these notes? Don M, do you have the treasurer's reports? Also Don, thanks for volunteering to do the postcards, and Joe for helping get out President's letter.

Again, my apologies for missing the meeting tonight.

Mark, et.al.

Through the use of wilderness training, Doug McKee and I found the room assigned to GACC (105B) this evening. So did Noelle. Shortly after 7:00, when the crowds dispersed, the maintenance chief had GACC signs with arrows pointing the way to the room.

In response to Joe's message, we can and must approve his plan for getting out the Newsletter with membership info using a poll of the board and responses via e'mail. In addition, we need to have postcards printed and mailed to each person renewing their membership. I will volunteer to do that.

Don M.

Subject: GACC: Meeting for Tuesday, December 11

Mark,

I have just returned from Eastwood Middle School, where a massive 8th Grade Dance Party is being held, and possibly some other event as I have never seen so many vehicles at the school. These were even using a lot of grass areas for parking. I made a new parking space at the end of one row, and walked in through the west entrance.

Our room was filled with families, which did not seem like our usual attendees, so I turned around and came home.

We could have used this evening's meeting to secure Board approval to order President's Message stationery and pay for postage stamps. I did bring two boxes of logo paper, membership forms, logo envelopes, and Joie's GACC return envelopes. I "guesstimate" that we only have 250 or less for most of these items.

Joie may be able to get a new supply of return envelopes. For the rest, we would require a new printing to have sufficient supplies, which is a standard order of 500 each, plus \$225.00 for postage stamps. Don and Don may have exact records, but it seems like we mailed to about 500 addressees in March 2012. To my knowledge, 2012 dues receipts were as good or better than in prior years.

I volunteered to conduct the entire mailing last March, as we were already two months behind schedule. For 2013, I think my role would be to handle the printing and folding through Elite Printing, and have Board volunteers do the labeling and mailing.

If we can have the supplies on hand by our Tuesday, January 9 meeting, I am willing to label and mail 50 President's Messages.

Do you think the Board approval can be handled by email, or do we need another December meeting date?

Regards,
Joe
