The Board considered the following points.

1. Transition to new officers. Daland Juberg indicated that by earlier voting of the Board in executive session, the Board had taken action to move to a new list of officers, including Mark Dollase as President and Steve Ferguson as Vice President, and had indicated this transfer was to occur at this meeting. Both Mark and Steve were present and assumed the new offices.
2. Discussion of activities needed for the “Hydrant Painting” activity on May 19, 2012. Items considered included meeting with Lowes management, involving Christine Scales and others in the project; getting media coverage, and announcing the project via the “Blast Mail” listing.
3. Discussion of possible hiring of a recording secretary for GACC. Don Melloy was to review the responses on recently returned membership forms to ascertain if there was any interest among the members to assume this position.

The meeting was adjourned at 8:00 p.m.
